LOCAL SELF GOVERNMENT DEPARTMENT NOTIFICATION

Simla-4, the 1st February, 1964/12th Magha, 1885

No. LSG. 62-10/56.—In exercise of the powers conferred by section 188 of the Punjab Municipal Act, 1911, as applied to Himachal Pradesh, the following additions made by the Municipal Committee, Solan to the existing water-supply bye-laws notified *vide* Himachal Pradesh Government notification No. (11)-L-58-46/50, dated the 25th December, 1952, and having been confirmed by the Lieutenant Governor, Himachal Pradesh, as required by sub-section (i) of section 201 of the said Act, are published for general information, and shall come into force within the limits of Municipal Committee, Solan in Mahasu district from 1st February, 1964:—

ADDITIONS

15. No person shall use, for the purposes of bathing, washing, or human consumption, the water of any public well, tank, spring or stream, within Municipal limits, after the Committee has, by public notice, declared the said water to be unfit for the use of man, until the said declaration shall be similarly cancelled.

16. Except in the case of fire, no person not duly authorised by the Committee in that behalf, shall, within Municipal limits open or in any way interfere with any main or pipe or valve or fire-plug connected with the Municipal water supply.

17. No person shall wilfully cause the water from a standpost to run to waste, and every person after using the standpost shall turn off the tap.

18. No person shall use standposts, or public taps, or fire plugs, with the object of securing a supply of water by continuous flow for any purpose except for the extinction of fire. The person for whose advantage or benefit such water has flowed shall be considered to have used water in contravention of this bye-law.

19. No person shall without the express permission of the Committee in writing, use water derived from the standposts, or public taps, or fire plugs for any building operations or for the purpose of any manufactory.

20. **Rate of water consumption.**—(a) A rate of Re. 1 per 4500 litres (one thousand gallons) for the consumption of water for domestic purposes, and Rs. 2 per 4500 litres (one thousand gallons) for commercial and all such other purposes shall be charged. A sum of Rs. 5 (refundable) shall be charged per connection as security for consumption of water. Meter reading shall be taken monthly. The payment of the bill shall be made within fifteen days (30 days in the case of Government Department) from

the date of its presentation otherwise a surcharge equal to 10% of the actual amount of the bill shall be levied. Central Government properties using Municipal water will continue to be charged at the rate to be determined and fixed by the Committee.

(b) A person permitted to draw or use water from a water supply connection for a purpose other than a domestic purpose or from a separate water connection sanctioned by the Committee for such purpose (other than domestic) shall pay for the full quantity of water consumed at the rates mentioned in and prescribed by clause 20 (a) above.

21. All meters will be maintained and repaired to the extent of ordinary wear and tear by the Committee and a flat rate of fifty naya paise per month which also includes rent, will be charged per meter. A security of Rs. 10 (refundable) will be charged from the consumer for the supply of meter by the Committee.

22. The Municipal Committee may at their discretion cut off the water from the mains during certain hours of the day or night, whenever such a course is deemed necessary, on account of deficient supply from the Head Works, or by reason of destruction thereof or of the pipe line or on account of repairs, or by reason of an accident, the result of an act of God or any other inevitable cause.

23. The Municipal Committee will not be responsible for any accidental stoppage, deficiency, or want of supply arising from frost, drought or other unavoidable cause or accident.

24. The cost of repairs, necessitated by injury from fire, frost or accident caused by the negligence of the owner or occupier shall be paid by such owner and occupier. The cost of any repairs, rendered necessary by reason of faulty material employed or defective construction, will be defrayed by the Municipal Committee. All repairs shall be executed by or under the direction of the Municipal Committee.

25. The rent of meter shall be payable monthly by the owner or occupier, provided that in the case of any person purchasing his own meter attached to his premises, he shall not be required to pay any rent for the same.

26. All meters shall be under the sole control of the Municipal Committee and access thereto at all reasonable times shall be afforded to any officer or officers duly authorised by the Committee in writing in that behalf.

27. The Municipal Committee may at any time remove any meter for the purpose of testing its accuracy or for examination or repair or in order to substitute another for it, and also in case of the discontinuance of the water supply.

28. No person shall wilfully or by culpable negligence injure or suffer to be injured any pipe forming a communication or connection to meter or fittings belonging to such Committee or fraudulently alter the index to any meter, or prevent any meter from duly registering the quantity of water supplied, or fraudulently obstruct or use water belonging to the Municipal Committee. Anyone committing a breach of this bye-law shall be punishable with a fine, which may extend to fifty rupees, and when

the breach is a continuing breach with a further fine which may extend to Rs. 5 for every day after the first during which the breach continues.

29. The existing bye-law No. 15 shall be re-numbered as bye-law No. 29.

By order,
D. B. LAL,
Secretary.
